A Message from the OMS PTSO

The next PTSO meeting is Wednesday, April 11 from 7:00 - 8:00 at the OMS Media Center (library).

At our last meeting guidance counselors came to the March meeting to speak about "Project Alert". It is a drug and alcohol information and prevention curriculum designed for the 7th grade. All 3 counselors implemented the program to all 7th graders this year in health and study skills classes. It has 3 booster lessons for 8th grade also. Part of Project Alert asks them to have a workshop for parents explaining the content of the program and encouraging them to have open discussions about these topics at home.
